Adjustable Angle Cube Wall Light

WALL LIGHT

Illuminate any space with the Adjustable Angle Cube Wall Light, perfect for indoor and outdoor use. Its adjustable angle ensures precise light direction, while durable materials ensure reliable performance in all conditions. With effortless installation, this fixture provides optimal illumination for any environment.

AVAILABLE OPTIONS

Lampshade Colour: Black, White, Brushed Silver, Brushed Gold

Type: Hardwired - Warm White, Hardwired - Cool White, USB Rechargeable - Warm White

KEY FEATURES

CUSTOMISABLE LIGHT ANGLE
Equipped with two adjustable panels, this light offers an angle adjustment of up to 100 degrees, delivering flexible, tailored illumination for every setting.

EASY INSTALLATION
Install with ease using a detachable cover for smooth angle adjustments, or choose for the magnetic adhesive mounting for a secure fix to the wall.

UNIVERSAL AESTHETIC
The light seamlessly complements any décor, perfect for illuminating cosy indoor spaces or enhancing outdoor areas. Its stylish, functional design suits a variety of environments.

BRIGHT ILLUMINATION
Engineered for superior light output, this light delivers consistent and reliable illumination, creating the perfect ambience for any setting.

BATTERY POWERED — NO WIRING NEEDED
It runs on its built-in battery, so there is no wiring and no electrician needed. How it charges and how long it runs are described above.
