Anti-Gravity Water Drop Humidifier

HUMIDIFIER

The Anti-Gravity Water Drop Humidifier brings innovation and elegance together with its cutting-edge anti-gravity technology. Simply pour water into the container, and watch as water droplets defy gravity, floating effortlessly in the air. Along with its soft mist and calming white light, the Anti-Gravity Water Drop Humidifier creates a serene and cosy atmosphere in any room. More than just a humidifier, it serves as a captivating decorative piece, adding a touch of modern sophistication while improving your space's air quality. You can also add your favourite scents to enhance relaxation or invigorate your space with refreshing energy.

AVAILABLE OPTIONS

Model and Colour: Round White, Round Wood, Round Marble, Half Sphere White, Half Sphere Black

KEY FEATURES

ANTI-GRAVITY TECHNOLOGY
The Anti-Gravity Water Drop Humidifier uses advanced technology to make water drops levitate, creating a mesmerising visual effect.

SOFT MIST & AMBIENT LIGHT
Releases a gentle mist accompanied by soothing LED white light, perfect for enhancing relaxation and comfort.

MULTI-FUNCTIONAL DESIGN
Doubles as both a humidifier and a striking decorative accent, elevating the aesthetic of any room.

CUSTOMISABLE AROMA
Enhance your experience by adding a few drops of your favourite scent to the humidifier, filling your space with a personalised, soothing fragrance that complements the calming mist.
