Arc Motion Sensor Rechargeable Wall Light

WALL LIGHT

Bring sophistication and versatility to any space with the Arc Motion Sensor Rechargeable Wall Light, a sleek rechargeable design that blends seamlessly into modern living. Whether mounted to enhance your interiors or carried as a portable accent, it delivers graceful, wave-inspired illumination with effortless style.

AVAILABLE OPTIONS

Size: 50 cm, 40 cm, 30 cm
Colour: White, Black

KEY FEATURES

INTELLIGENT MOTION & REMOTE CONTROL
Lights up gracefully at the slightest movement or at the touch of a button, then dims to rest after 20 seconds, offering both refined comfort and energy-conscious performance.

EFFORTLESS INSTALLATION
Attaches seamlessly with the included adhesive pad or magnetic mount, ensuring a secure hold while maintaining a clean, modern look.

ELEGANTLY VERSATILE DESIGN
Securely mounts with ease, yet detaches effortlessly for recharging or handheld use, blending functional beauty with modern convenience.

RECHARGEABLE — NO WIRING NEEDED
Charge it with the USB cable supplied and place it where you like. No wiring, no electrician.
