# Arc and Rectangular Motion Sensor Wall Light

WALL LIGHT

The Arc and Rectangular Motion Sensor Wall Light is a stylish centrepiece of modern lighting. You will have great opportunities to style your home with its aesthetic design. The light is available in either a sharp, stylish, rectangular shape or a softer, arced, harmonic design. You can choose between a crisp white light or a soft warm one. You can also select if you want the light to be activated by either a soft touch or by detecting motion. The Arc and Rectangular Motion Sensor Wall Light is fantastic to raise the bar of the interior design in any room.

## AVAILABLE OPTIONS

**Style:** Arced - Warm Light, Arced - White Light, Rectangular - Warm Light, Rectangular - White Light

**Activation Type:** Motion Sensor, Touch Sensor

## KEY FEATURES

**MODERN LOOK**
You will find that this lamp brings elegance to any room with its timeless design.

**EASY INSTALLATION**
The light is easy to mount on the wall with a magnetic bracket so that you can recharge and clean the light.
