Cabinet Organizer Shelf

STACKABLE KITCHEN COUNTER & CUPBOARD RACK · HOME ACCESSORIES

Cabinet Organizer Shelf | Stackable kitchen counter & cupboard rack

Cabinets and countertops fill up fast, with plates, mugs and jars stacked on top of each other. This cabinet organizer shelf adds a whole second level, so you make far more of your space and can see what you have at a glance.

• **Stackable design**– adds a shelf layer inside cabinets or on the counter • **Sturdy metal frame**– holds plates, mugs, tins and spice jars • **Natural wood-tone shelf** – warm finish that fits any kitchen • **Space-saving**– turns empty vertical height into real storage • **Versatile**– for kitchen cabinets, countertops or pantry

A stackable kitchen counter shelf and spice rack in one, for a tidier kitchen.
