Arden Ergonomic Mesh Office Chair

ADJUSTABLE HEADREST, 7 COLOURS · OFFICE CHAIR

Arden Ergonomic Mesh Office Chair | Adjustable headrest, 7 colours

A desk chair that belongs in a home, not a cubicle. Arden pairs a breathable mesh back with a split lumbar curve that follows the shape of your spine, an adjustable headrest for the moments you lean back to think, and a padded fabric seat in seven soft colours – from crisp white and navy to sage, blush and teal.

• **Supportive high back** – breathable nylon mesh with a contoured lumbar section • **Adjustable 2D headrest** – up, down and angle • **Sliding seat and height control** – set the depth to the length of your legs • **Reclines to 135°** – rock back and lock in position • **Approx. dimensions** – 122–130 cm high, seat 52 cm wide, 67 cm overall width

Long days at the desk, made comfortable and calm.
