Cement Tree Hollow Candle Holder

CANDLE HOLDER

Bring the quiet magic of the woods into your space with the Cement Tree Hollow Candle Holder. Artfully shaped to resemble weathered tree hollows, each handcrafted vessel blends rustic elegance with a sense of personal expression, inviting a gentle glow and natural charm into your surroundings. Whether as a warm accent or a statement of organic design, these woodland forms transform the atmosphere with quiet beauty.

AVAILABLE OPTIONS

Type: Hearth Hollow, Stump Hearth, Drift Hollow, Twin Hollow, Cedar Spire, Stream Cradle, Full set of 6

KEY FEATURES

CUSTOMISABLE WAX VESSEL
Fill with wax sand, poured wax or your own scented blend. Each cradle invites creativity and reflects your personal style.

FOREST-BORN CRAFTMANSHIP
Hand-molded to echo aged bark and driftwood, with subtle variations in texture and tone that make each piece one of a kind.

SPACE TRANSFORMER
From cosy stump forms to flowing organic shapes, each design brings a story of the forest, casting warmth and character into any space.
