Ceramic Toilet Brush Set

WOOD-EFFECT HOLDER, STAINLESS STEEL HANDLE · BATHROOM ACCESSORIES

A toilet brush that can stay out. The ceramic holder has a wood-grain texture and closes around the brush head, so what you see is a plain cylinder rather than the thing it holds.

AVAILABLE OPTIONS

Colour: Grey, White

WHY THE HOLDER MATTERS

Most toilet brushes come with a thin plastic sleeve that stains and goes brittle. This one is glazed ceramic, so it wipes clean and stays opaque. The brush head is firm enough to clean under the rim without scratching the glaze of the pan.
