Diatomite Sink Mat

ABSORBENT TAP MAT IN WHITE, LIGHT GREY OR DARK GREY · BATHROOM ACCESSORIES

A long, narrow stone mat that sits around the base of a tap and absorbs splashes, so the area behind the sink stays dry. It works in kitchens and bathrooms.

AVAILABLE OPTIONS

Colour: White, Light Grey, Dark Grey

KEY FEATURES

MATERIALS
Natural diatomite stone that absorbs water within seconds and dries again within minutes

DETAIL
Two-piece mat with a centre cut-out that slides around a single tap base

DETAIL
Dries quickly, so it resists odour and mould

LIGHT
Three colours: white, light grey or dark grey

INSTALLATION
Lasts up to 5 years with proper care, according to the maker

DIMENSIONS

Mat	60 x 10 x 1 cm
Tap opening	Approx. 6.5 cm

CARE

- Rinse and air dry.
- Sand lightly if the surface becomes clogged.
