Ceramic Wax Melt and Oil Burner

HOME ACCESSORIES

Bring the tranquility of nature into your space with the Ceramic Wax Melt and Oil Burner. This graceful union of ceramic artistry and calming scent diffusion features a top bowl to gently warm essential oils or wax melts, and a lower chamber for a glowing tea light. Hand-glazed with a soft sheen, it serves as both a functional aromatherapy tool and a serene decorative accent.

AVAILABLE OPTIONS

Colour: Pastel Mint, Vintage Teal, Vintage Grey, Black, White, Stone Grey, Oat, Olive, Cyan, Brown, Burgundy

KEY FEATURES

DUAL-CHAMBER FUNCTIONALITY
The upper bowl gently diffuses oils or wax melts, while the lower compartment houses a candle for soft, consistent warmth.

EARTH-INSPIRED CERAMIC DESIGN
Crafted from sturdy porcelain with a mineral glaze, it adds natural elegance to any setting.

SERENE CANDLE GLOW
A flickering flame casts calming shadows, ideal for quiet evenings, meditation, or slow moments of reflection.
