Folding Towel Rack

STAINLESS STEEL WITH WALNUT EFFECT · BATHROOM ACCESSORIES

A folding towel rack in stainless steel with a warm walnut-effect finish. It goes up without drilling, which makes it the answer for a rented bathroom or a tiled wall you would rather not put holes in.

AVAILABLE OPTIONS

Size: 24 cm, 32 cm

KEY FEATURES

FINISHES
Stainless steel with a walnut-effect finish

DETAIL
Folds flat against the wall when empty

INSTALLATION
Fits without drilling

SIZE
Two widths: 24 cm and 32 cm

MORE DETAILS

Suitable for: bathroom, en-suite, cloakroom, rented homes.

NO DRILLING

Tiled walls and rented flats are the two places people give up on extra towel storage. This one mounts without a drill, so it can go on the tile beside the shower where you actually want it, and come off again without leaving anything behind.
