Shiatsu Foot Massager with Heat

KNEADING ROLLERS & AIR COMPRESSION · MASSAGER

Put your feet up and unwind with this shiatsu foot massager. Kneading rollers, full-foot air compression and gentle warmth work together for a massage that feels like real hands.

Sit back, slip your feet in and let the day's stress melt away. Everything is controlled with one touch, so there is nothing complicated to set up. This is a comfort product, not a medical device.
