Colour Changing Mushroom Table Lamp, Iridescent Glass Night Light

TABLE LAMP

An iridescent glass mushroom lamp that shifts through colour, made for atmosphere rather than reading light.

KEY FEATURES

BULB & POWER
Colour-changing LED with a warm white setting if you want it to sit still.

LIGHT
The glass catches and scatters the light, so the colour lands on the wall behind it too.

DETAIL
A decorative piece first: put it on a shelf or a bedside, not where you need to see by it.

STYLE
A

PLUG-IN — NO WIRING NEEDED
Put it in place, plug it in and switch it on. No electrician needed.
