LED Downlight

ADJUSTABLE CEILING LIGHTING WITH A MODERN FINISH · HOME ACCESSORIES

LED Downlight | Adjustable ceiling lighting with a modern finish

Upgrade your interior with this adjustable LED downlight designed for clean, focused illumination. The minimalist ceiling design blends seamlessly into modern spaces, while the tiltable light head allows you to direct brightness exactly where needed. Perfect for hallways, bedrooms, living rooms, or entryways that benefit from a refined lighting setup.

• Adjustable tilt design – directs light up to 30° for targeted illumination • Modern minimalist finish – clean ceiling integration with a sleek appearance • Energy-efficient LED lighting – bright everyday illumination with lower energy use • Multiple size options – diameter 2.9" / 3.7" (7.5 / 9.5 cm), height 2.1" (5.5 cm)

A modern lighting solution that combines precise illumination, efficiency, and a clean architectural look for any interior space.
