Minimalist Outdoor Wall Light - Two Styles

OUTDOOR WALL LIGHT

Two takes on the same idea - one that throws light in a single direction, one that splits it up and down. Both sit flat and shallow against the wall.

AVAILABLE OPTIONS

Style: Down, Up & Down

Warm white 3000K

HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

- **Hardwired to a 110-240V supply - we recommend a qualified electrician.**
- **Surface mount**, fixes through a Ø5 cm base.
- **Down or Up & Down is chosen when you order** and cannot be changed afterwards.
- **Dimmable on a standard dimmer switch.**
- **IP65**, rated for year-round outdoor use. UKCA and CE certified, 1 year warranty.

UK wiring colours and step-by-step help: installation manual (PDF).

MORE DETAILS

- Two styles
- Works with a standard dimmer switch
- IP65 weather resistant, anti-rust
- Energy-efficient integrated LED
- Warm white 3000K

WHY CUSTOMERS CHOOSE THIS

- Pick down-only where you want light on the path, or up and down where you want the wall lit as well.
- Small enough at 10 cm wide for a narrow return or door surround where a full wall light would crowd.
- Dimmable on a standard dimmer switch, so the entrance is not glaring at midnight.

HOW IT WORKS

A compact wall light for door surrounds and narrow returns. Choose down-only where you want light on the path, or up and down where you want the wall lit as well - the style is fixed at order, not switchable later.

DIMENSIONS

Style	Dimensions
Down	10 x 5 x 27 cm (base Ø5 cm)
Up & Down	10 x 5 x 31 cm (base Ø5 cm)

SPECIFICATION

Material	Aluminium and acrylic
