HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

This light connects to a ceiling or wall light point, not to a socket. We recommend having it fitted by a qualified electrician. The UK wiring colours and step-by-step help are in our installation manual.

Note		
Please note that actual size may vary by 0.4"-1.2"(1-3 cm). There may be slight differences between product images and the real item due to workmanship (e.g., extra screws or zippers) or lighting/monitor settings, but these do not affect use. Thank you for your understanding!		

New Update: To accommodate the US standard **4-inch electrical boxes** , we now offer an adjustable base fixture. This accessory easily converts the non-US standard backplate, making installation more convenient.

Accessory Details

Introducing the Modern Waterproof Rectangular LED Outdoor Wall Light - an essential for your outdoor space that combines style and functionality. This sleek and durable lamp, available in a timeless black colour, is the epitome of modern design, bringing a touch of elegance to your surroundings.

Crafted from high-quality aluminium, this lamp guarantees longevity and resistance to weather conditions, making it perfect for North American climates. Choose between our two sizes - small or large.

Our energy-efficient LED lamp emits a warm and inviting light, boasting 600 lumens, ensuring your outdoor activities are always well-lit. The integrated LED bulb offers easy installation and a clean look, while the hardwired connection ensures safety and convenience.

Don't miss out on the opportunity to create a stylish and inviting outdoor ambiance with our Modern Waterproof Rectangular LED Outdoor Wall Light. Transform your outdoor space into a modern oasis today!

WHAT'S IN THE PACKAGE

- The outdoor light, in the colour and size you choose
- Mounting plate or bracket with screws and wall plugs
- Integrated LED, so there is no bulb to buy
