LED Garden Bollard Light

STAINLESS STEEL, WATERPROOF · OUTDOOR LIGHT

Note: For the hardwired version, the light colour option is a single warm light. For the solar version, the light colour option is tri-colour, with a remote controller. The tri-colour light includes warm light, neutral light, and white light, which can be adjusted using the remote controller. The tri-colour light also features a memory function, allowing you to set and save your preferred light colour. Each time the light is turned on, it will automatically revert to the preset colour chosen.

AVAILABLE OPTIONS

Size: Small, Medium, Large
Voltage: Hardwired - 220V-240V, Solar
Light Colour: Warm Light (3000K), Tri-colour Light + Remote Control

3 size options: Small, Medium, Large

HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

This light connects to a ceiling or wall light point, not to a socket. We recommend having it fitted by a qualified electrician. The UK wiring colours and step-by-step help are in our installation manual.

Location	Dry Location		
Preassembled	Yes		
Note			
Please note that actual size may vary by 0.4"-1.2"(1-3 cm). There may be slight differences between product images and the real item due to workmanship (e.g., extra screws or zippers) or lighting/monitor settings, but these do not affect use. Thank you for your understanding!			

Lamps must not be immersed in water, e.g., standing water or low-lying areas.

WHAT'S IN THE PACKAGE

- The outdoor light, in the colour and size you choose
- Built-in solar panel and rechargeable battery; ground stake or wall fixings
- Remote control (on variants that list it)
- Integrated LED, so there is no bulb to buy
