Dog Stairs

SAFE & EASY ACCESS FOR BEDS AND SOFAS · PET ACCESSORIES

Dog Stairs | Safe & Easy Access for Beds and Sofas

Jumping onto beds and sofas can be difficult for smaller, older, or less mobile dogs. These dog stairs provide a safe and comfortable way for your pet to reach their favourite spots while helping reduce the strain of climbing.

• High-density foam – provides sturdy yet comfortable support for everyday use • Gentle incline – makes climbing easier and more comfortable for your pet • Non-slip base – helps keep the stairs securely in place while in use • Soft, removable cover – feels gentle on paws and is easy to remove for cleaning

A practical pet accessory that combines comfort, stability, and a stylish design for everyday use.
