Nordic Birch Tree LED Light

HOME ACCESSORIES

Bring a touch of enchantment indoors with this Nordic Birch Tree LED Light. Designed to mimic the delicate silhouette of a birch tree, it casts a cosy, golden ambience that warms any corner. Perfect for bedtime wind-downs, festive decor, or simply adding a gentle glow to your space.

KEY FEATURES

REALISTIC TREE DESIGN
With a natural birch finish and hand-shaped branches, it looks like a glowing sculpture in the dark. The flexible branches can be bent into any shape to suit your style.

CORDLESS & STABLE
Powered by 3xAA batteries, it offers wire-free placement with a sturdy base that ensures reliable balance anywhere.

GENTLE ILLUMINATION
Filled with 144 warm white LEDs, the tree glows with a soft, inviting light that adds charm and coziness to any setting.
