HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

- **Hardwired to a 110-240V ceiling point** - we recommend a qualified electrician.
- **The 120 cm cable is cut to length on installation**, so it hangs right whether your ceiling is 2.4 m or 3 m.
- **Takes a replaceable E26 screw bulb.** E26 is the US size and differs slightly from a UK E27, so use the supplied lamp or order an E26 replacement.
- **Dimmable on a standard dimmer switch**, if one is fitted.
- **IP20 - indoor use only.** UKCA and CE certified, 1 year warranty.
