Norell High-Back Mesh Office Chair

ADJUSTABLE HEADREST & LUMBAR · OFFICE CHAIR

Norell High-Back Mesh Office Chair | Adjustable headrest & lumbar

A sculpted S-curve frame gives Norell its quiet, architectural look – and the support to match. The high mesh back follows the natural curve of the spine, the lumbar pad and headrest move to fit you, and the whole chair stays cool through long afternoons. In black for a study, or white for a light, airy room.

• **High mesh back with S-curve frame** – supports from lower back to shoulders • **Adjustable headrest** – for neck and shoulder support • **Adjustable lumbar support** – moves to fit your back • **Adjustable armrests and seat height** • **Breathable mesh** – stays cool on long days

Support you can count on, in a chair that looks the part.
