HARDWIRED FITTING — ELECTRICIAN RECOMMENDED
This light connects to a ceiling or wall light point, not to a socket. We recommend having it fitted by a qualified electrician. The UK wiring colours and step-by-step help are in our installation manual.

MORE DETAILS

Enhance your outdoor space with this motion sensor wall light designed for safety and convenience. It automatically activates when movement is detected, providing instant illumination for entrances, pathways, and gardens. The modern design blends seamlessly into any exterior while offering reliable everyday performance.

• **Motion sensor activation** – automatically lights up when movement is detected • **Energy-efficient LED** – bright illumination with reduced energy consumption • **Weather-resistant design** – suitable for outdoor use in various conditions • **Compact size** – 4.9" × 10.2" (12.5 × 26 cm)

A smart outdoor lighting solution that combines security, efficiency, and modern design for everyday peace of mind.

WHAT'S IN THE PACKAGE

- The wall light, in the colour and size you choose
