KEY FEATURES

ADJUSTABLE BRIGHTNESS
Customise the brightness to suit your needs, from a soft glow for a relaxed evening look to a bright beam for precise application. The easy-to-use touch controls allow you to adjust the brightness seamlessly.

DUAL MAGNIFICATION
Achieve perfect detail with the flat mirror for an overall view and a 3x enlarging lens for close-up precision. Perfect for detailed tasks like eyeliner application, tweezing, or skincare treatments.

TRI-COLOUR LIGHTING
Choose from three different lighting colours. Whether you need the cosy ambience of warm light, the crisp clarity of white light, or the balanced tone of natural white, the Rechargeable LED Make-Up Mirror has you covered.

EASY INSTALLATION
Cordless and rechargeable. Easily mounted using the included screws for a secure fit anywhere.
