Floating Shelves

WALL MOUNTED PICTURE LEDGE FOR PHOTOS & DECOR · HOME ACCESSORIES

Floating Shelves | Wall Mounted Picture Ledge for Photos & Decor Bare walls and nowhere to show off your photos, plants or favourite bits? These floating shelves mount to the wall with a hidden bracket for a clean, floating look, and the raised front lip keeps frames and decor from sliding off. Line them up or stack them at different heights.

• **Picture ledge design –** a raised lip holds frames, photos and decor in place • **Floating look –**concealed bracket, no visible supports • **Multiple colour options –**choose the finish that fits your room • **Multiple lengths –** mix sizes for a gallery-style wall • **Versatile –** living room, bedroom, hallway or home office

Wall mounted floating shelves that turn an empty wall into a display.
