Shiatsu Massage Cushion

HEATED CIRCULAR KNEADING NODES · PILLOW

Relax at home with this shiatsu massage cushion. Circular kneading nodes move like shiatsu hands, while gentle warmth adds to the comfort of every session.

Lean back into it after a long day and enjoy a relaxing massage wherever you choose to sit. Its balanced intensity keeps every session comfortable, and the warmth makes it especially cosy on cooler evenings. This is a comfort product, not a medical device.
