Smart App-Controlled Linear Wall Light

WALL LIGHT

The linear wall bar with app control added. Set schedules, adjust brightness and colour from your phone, or leave it to run on a timer and forget about it.

AVAILABLE OPTIONS

Control: Smart App + Remote

KEY FEATURES

CONTROL
Controlled from your phone or the included remote

CONTROL
Remote also included

WEATHER PROTECTION
Indoor and outdoor use

INSTALLATION
Hardwired to the wall, needs 2.4GHz Wi-Fi within range

WEATHER PROTECTION
IP65 weather resistant, anti-rust

CONTROL
App control for brightness, colour and scheduling

BULB & POWER
Energy-efficient LED, integrated

HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

- **Hardwired to a 110-240V supply with permanent live** so the app can reach it - we recommend a qualified electrician.
- **Surface mount**, fixes flat to the wall.
- **Needs 2.4GHz Wi-Fi** within range of the fitting. Most home routers broadcast both 2.4 and 5GHz.
- **Remote included, battery is not.** It takes a single CR2025 coin cell.
- **The COB LED band is replaceable. IP65**, rated for year-round outdoor use. UKCA and CE certified, 1 year warranty.

UK wiring colours and step-by-step help: installation manual (PDF).

MORE DETAILS

- App control for brightness, colour and scheduling
- Remote also included
- IP65 weather resistant, anti-rust
- Energy-efficient LED, integrated
- Indoor and outdoor use

WHY CUSTOMERS CHOOSE THIS

- Set it once and forget it - schedules mean the light is on before you get home and off when you are asleep.
- Dim and switch colour temperature from your phone, so one fitting suits a working evening and a quiet one.
- Remote included as well as the app, so guests and family are not locked out of the light switch.

HOW IT WORKS

A sealed LED bar you control from your phone. Set schedules so it is on before you get home and off when you are asleep, dim it, or switch colour temperature - without touching a wall switch. The supplied remote does the same for anyone who would rather not use an app.

DIMENSIONS

Control	Dimensions
Smart App + Remote	30 - 240 x 8 x 4.5 cm (nine lengths)

SPECIFICATION

Material	Aluminium and acrylic
Finish	Matt black
IP rating	IP65
