GripMaster Bathtub Mat

NON-SLIP & EASY TO CLEAN · BATH MAT

Did you know that 20% of household injuries occur in the bathroom, with a large portion of these being slip-and-fall accidents on the bathtub or wet floors? GripMaster Bathtub Mat offers superior safety with its suction cups that anchor firmly to any tub or shower floor, even when in contact with slippery beauty products. Whether you're lathering up with shampoo or applying slick conditioner, GripMaster remains steadfast. GripMaster Bathtub Mat gives additional support to seniors and individuals with balance or mobility challenges. Bathtub Mat was designed to adhere to the importance of bathroom safety measures, it provides a stable surface that helps maintain balance and prevents accidents
