AVAILABLE OPTIONS

Quantity: 1pc, 2pcs 3 heads, 2pcs 4 heads

KEY FEATURES

DETAIL	WEATHER PROTECTION
Solar powered, so it needs no wiring or socket	Built for outdoor use

SOLAR POWERED — NO WIRING NEEDED

Place it where the panel gets direct daylight. It charges by day and switches on at dusk.

MORE DETAILS

Dark driveway, garden path or front door after sunset? These solar motion sensor lights switch on automatically the moment movement is detected — bright security lighting exactly when and where you need it, with no wiring and no electrician. Solar powered: mount them on the wall and they charge themselves during the day.

• Motion sensor activation – lights up automatically when movement is detected • 358 LED illumination – bright outdoor lighting • 3 adjustable light heads, 270° wide angle – aim the light where you need it and cover large areas • IP65 waterproof – built for year-round outdoor use • Solar powered – no wiring needed

Ideal for the driveway, garage, garden, entrance or pathways.

WHAT'S IN THE PACKAGE

- The solar light, in the colour and size you choose
- Built-in solar panel and rechargeable battery; ground stake or wall fixings
- Bulbs not included, unless the product description says otherwise
