Solar Powered Up and Down Wall Light

OUTDOOR WALL LIGHT

Introducing the Solar Powered Up and Down Wall Light, the ultimate outdoor lighting solution for your home and garden. Crafted to provide consistent and energy-efficient lighting, this stylish wall light features 6 high-performance bulbs, ensuring broad coverage that can illuminate areas up to 20 meters. Whether you're enhancing the ambience of your porch, yard, or garden, the Solar Powered Up and Down Wall Light offers the perfect lighting where it's needed most, making your spaces safer and more radiant.

KEY FEATURES

SOLAR-POWERED EFFICIENCY
With charging during the day, you can enjoy up to 10 hours of brightness after sunset without any additional electricity costs.

BUILT FOR ALL WEATHER
Fully waterproof and ready to handle extreme weather all year-round.

LOW-MAINTENANCE
Virtually maintenance-free, offering years of reliable performance with minimal effort, a hassle-free lighting solution that enhances your space without the added burden of constant care or attention.

ENHANCED LIGHTING
Equipped with LED bulbs on both top and bottom to provide superior brightness and coverage.

SOLAR POWERED — NO WIRING NEEDED
Place it where the panel gets direct daylight. It charges by day and switches on at dusk.
