Solar Powered Vintage Bulb Wall Sconce

OUTDOOR WALL LIGHT

Introducing the Solar Powered Vintage Bulb Wall Sconce, a perfect blend of functionality and elegance for your outdoor spaces. This eco-friendly lighting solution utilizes advanced solar technology to absorb sunlight during the day, providing bright illumination at night. Featuring three powerful LEDs on each side, this sconce ensures comprehensive light coverage for pathways, gardens, and fences. With two distinct lighting modes, you can easily switch between a vibrant white light for clear visibility and a warm light for a cosy, inviting atmosphere. Enhance safety and style in your outdoor areas with this stunning and versatile wall sconce.

AVAILABLE OPTIONS

Size: 4 Bulbs, 6 Bulbs
Pack Size: 2 Pack, 4 Pack, 10 Pack

KEY FEATURES

SOLAR-POWERED EFFICIENCY
Utilizes solar energy for sustainable and cost-effective outdoor lighting.

DUAL LIGHTING MODES
Easily switch between bright white light for enhanced visibility and warm light for a cosy ambience.

ENHANCED ILLUMINATION
Equipped with LED bulbs on each side to provide superior brightness and coverage.

SOLAR POWERED — NO WIRING NEEDED
Place it where the panel gets direct daylight. It charges by day and switches on at dusk.
