Under Desk Footrest

MEMORY FOAM, WASHABLE COVER · FOOT REST

Give your feet a comfortable place to rest while you work. This under desk footrest is made for long hours at a desk or workstation and fits neatly into a home office or a shared workplace.

Slide it under your desk, set your feet on it and adjust its position until it feels right. A small addition that makes a long working day at your desk feel a little more comfortable.

KEY FEATURES

MEMORY FOAM
The foam adapts to the natural contours of your feet for cushioned support

WASHABLE COVER
Remove the cover and wash it to keep the footrest fresh

DESK-FRIENDLY
Sits on the floor under your desk and is easy to reposition

EVERYDAY COMFORT
A relaxed resting spot for your feet during long spells of sitting

HOME OR OFFICE
Suits any desk setup, from a spare-room workspace to a busy office
