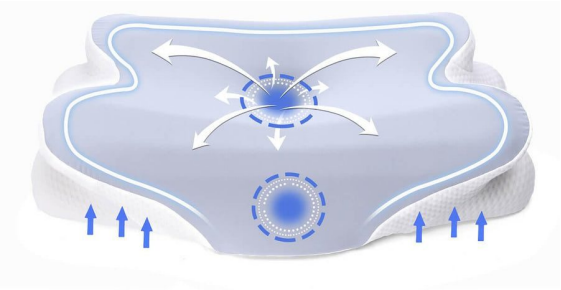
Wave-Shaped Contour Neck Pillow

SLOW-REBOUND FOAM, ICE SILK COVER · PILLOW



A wave-shaped contour neck pillow made from high-density, slow-rebound memory foam. It adapts to your body while holding its shape, giving you lasting, cushioned support night after night.

Give yourself a softer, cooler end to the day and enjoy more restful nights. The cover comes off easily for washing, so your pillow stays fresh. This is a comfort product, not a medical device.
