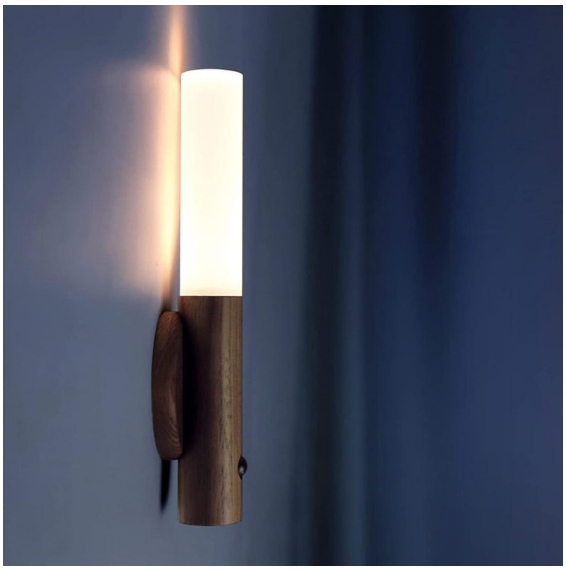
Wooden Torch Motion Sensor Light

WALL LIGHT



Introducing the Wooden Torch Motion Sensor Light - a practical yet stylish lighting solution for your home. A rechargeable lamp that offers both functionality and aesthetics, resembling a handheld torch. Thanks to its energy-saving design, one charge lasts for several months under normal usage in motion mode. With its magnetic wall-mount design, it easily attaches to any surface, allowing for effortless removal when it's time to recharge.

AVAILABLE OPTIONS

Colour: Walnut, Ash

KEY FEATURES

DETECTS MOTION
The Auto-mode lets the light turn on when motion is detected within 3 meters, the perfect night-light wherever you need it!

CORDLESS
Embrace the simplicity of cordless illumination for a clean, organised, and clutter-free living space.

LONG BATTERY LIFETIME
Thanks to its energy-saving design, one charge lasts for several months under normal usage in motion mode. The secure magnetic attachment enables you to seamlessly move your lamp whenever you need to charge it.

RECHARGEABLE — NO WIRING NEEDED
Charge it with the USB cable supplied and place it where you like. No wiring, no electrician.
