Woven Cotton Rope Laundry Basket

58 L · HOME ACCESSORIES

A laundry basket woven from cotton rope, 58 litres — roughly two full loads. Soft enough to squash into a corner, structured enough to stand up on its own when it is empty.

AVAILABLE OPTIONS

Colour: Mix, Beige, Grey, Black

WHY ROPE RATHER THAN PLASTIC

A rigid plastic hamper has one size and one shape. Rope gives on the sides, so it takes an awkward armful and still sits flat against a wall. It is light enough to carry full to the machine with one hand, and when the wash is done it folds down rather than sitting empty and hollow in the room.
