XL Fabric Laundry Basket With Handles

FREESTANDING · HOME ACCESSORIES

An oversized fabric laundry basket that stands up on its own, with handles on both sides. Linen-look cloth over a structured body, so it holds its shape empty as well as full.

Suitable for: bathroom, bedroom, utility room, nursery.

NOT ONLY FOR LAUNDRY

The size that makes it good for a family wash also makes it the easiest place to put blankets, spare bedding or the toys that live on the floor. The handles matter more than they sound: a full basket of wet towels is heavy, and a rim-only grip is where most fabric baskets tear.
