Linear LED Outdoor Wall Light - Matt Black

WALL LIGHT

A slim linear bar that throws a clean wash of light up and down the wall. The matt black housing is weather-resistant and rust-treated, so it holds up just as well on an exposed garden wall or garage front as it does in a hallway.

AVAILABLE OPTIONS

Size: 30 cm, 60 cm, 80 cm, 100 cm, 120 cm, 150 cm, 170 cm, 200 cm, 240 cm

KEY FEATURES

SIZE
Available in 9 length options, 30 cm to 240 cm

CONTROL
Three colour temperatures, remote dimming included

INSTALLATION
Hardwired installation

WEATHER PROTECTION
Hardwired to the wall, IP65 rated for indoor and outdoor use

WEATHER PROTECTION
Weather-resistant, anti-rust finish - suitable for indoor and outdoor use

SIZE
Eight lengths, from 30 cm to 240 cm

BULB & POWER
Integrated LED, no bulbs to replace

HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

- **Hardwired to a 110-240V supply - we recommend a qualified electrician.**
- **Surface mount**, fixes flat to the wall.
- **Remote included, battery is not.** It takes a single CR2025 coin cell.
- **The COB LED band is replaceable**, so the fitting is not scrap when the diodes eventually dim.
- **IP65**, rated for year-round outdoor use. UKCA and CE certified, 1 year warranty.

UK wiring colours and step-by-step help: installation manual (PDF).

MORE DETAILS

Choose from three colour temperatures and dim it from the included remote - warm for evenings on the patio, cooler when you need the driveway properly lit.

- Eight lengths, from 30 cm to 240 cm
- Three colour temperatures, remote dimming included
- Weather-resistant, anti-rust finish - suitable for indoor and outdoor use
- Integrated LED, no bulbs to replace
- Hardwired installation

WHY CUSTOMERS CHOOSE THIS

- Nine lengths means you match the light to the wall instead of settling - a 30 cm by the door, a 240 cm run across a whole elevation.
- One fitting works inside and out: IP65 sealed and rust-treated, so it suits a hallway and an exposed garden wall alike.
- Three colour temperatures on a remote - warm for evenings on the patio, cooler when you need the driveway properly lit.

HOW IT WORKS

A sealed LED bar that mounts flat to the wall and washes light up and down it. Colour temperature and brightness are set from the supplied remote, so one fitting covers a warm evening setting and a brighter working one without changing anything on the wall.

DIMENSIONS

Size	Dimensions
30 cm	30 x 8 x 4.5 cm
60 cm	60 x 8 x 4.5 cm
80 cm	80 x 8 x 4.5 cm
100 cm	100 x 8 x 4.5 cm
120 cm	120 x 8 x 4.5 cm
150 cm	150 x 8 x 4.5 cm
170 cm	170 x 8 x 4.5 cm
200 cm	200 x 8 x 4.5 cm
240 cm	240 x 8 x 4.5 cm

SPECIFICATION

Material	Aluminium and acrylic
Finish	Matt black
IP rating	IP65
Colour temperature	3000K / 4500K / 6000K
Dimmable	Yes, remote included
Wattage	10 W (500 lm)
Weight	0.8 kg
