Long Linear Outdoor Wall Light

PLAIN OR PATTERNED, 30 TO 240 CM · OUTDOOR WALL LIGHT

A slim black light bar that runs up or along a wall and gives a long, even line of light. The plain version is calm and architectural; the patterned version has a decorative cut-out front. Use them either side of a door, along a terrace or on a garden wall.

Ten lengths from 30 to 240 cm

HARDWIRED FITTING — ELECTRICIAN RECOMMENDED

- Hardwired to a wall point. There is no plug, so have it fitted by a qualified electrician.
- The supplier describes it as rainproof but gives no IP rating, so outside we only recommend a sheltered spot such as a covered porch or under an overhang.

UK wiring colours and step-by-step help: installation manual (PDF).

WHAT'S IN THE PACKAGE

- The outdoor wall light, in the colour and size you choose
- Mounting plate or bracket with screws and wall plugs
- Integrated LED, so there is no bulb to buy
