KEY FEATURES

EASY INSTALLATION

No need for plugs, wiring, or complicated setups! Installation is a breeze—simply attach the provided screws to your fence or outdoor walls in areas with direct sunlight. Hang the solar lights on the screws, and you're done. Be sure to switch them on before th

DURABLE DESIGN

With an IP65 waterproof and dustproof rating, these lights are designed to withstand rain, snow, and other harsh weather conditions, providing reliable, beautiful lighting year-round.

PERFECT FOR ANY OUTDOOR SETTING

These modern, minimalist solar garden lights with their warm, inviting glow are perfect for enhancing fences, garden gates, or even illuminating house numbers. The set of four outdoor solar lanterns also makes for an ideal gift for loved ones, friends, or gard

SOLAR POWERED

Featuring advanced laminated monocrystalline silicone solar panels, they automatically charge for 4-6 hours in direct sunlight, ensuring they're ready to provide up to 8-10 hours of warm, decorative lighting throughout the night.

SOLAR POWERED — NO WIRING NEEDED

Place it where the panel gets direct daylight. It charges by day and switches on at dusk.
